Warrior Band And Cheerleaders Promote School Spirit

The C.H.S. Warrior Band was very active during the school year 1974. During the fall, members of the band performed at all C.H.S. football games as well as at a football game at Emory and Henry College. The band received a Division I Rating at the Bristol Band Contest in October.

In April, the band received five Division I ratings at the District Solo and Small Ensemble Contest. The band gave several concerts during the school year and finished out the year's activities by performing at Commencement Exercises.

Members of the Varsity Cheerleading squad were selected last spring. The cheerleaders boosted school spirit by sponsoring pep rallies, a "Mr. and Miss School Spirit" Contest, student busses to away ball games and "Hat Day".

The cheerleaders attended a camp during the summer months.

Majorettes shown above are Zeean Harris, Reginia Williams, Connie Cregger and Sharon Whitely. The Warrior Band is shown during a practice session on the football field. Cheerleaders, left, perform a skit during a pep rally.

Can you imagine Mr. Jerry A. Eggers as Master of Ceremonies? He was M. C. at the Miss Chilhowie Beauty Pageant which was held on September 20 in the C. H. S. auditorium. The beauty pageant was sponsored by the Guidance Department. Fifty-eight girls from grades 10-12 competed for the title of Miss Chilhowie 1973.

After the final round of elimination, Mr. Cleve Compton crowned Dixie Tilson, Miss Chilhowie 1973. Jackie Berry, first runner-up, and Patty McAllister, second runner-up, received flowers from Reva Rouse, Miss Chilhowie 1972.

Pictured at the right is Dixie Tilson, Miss Chilhowie 1973. Dixie is congratulated following the pageant, below.

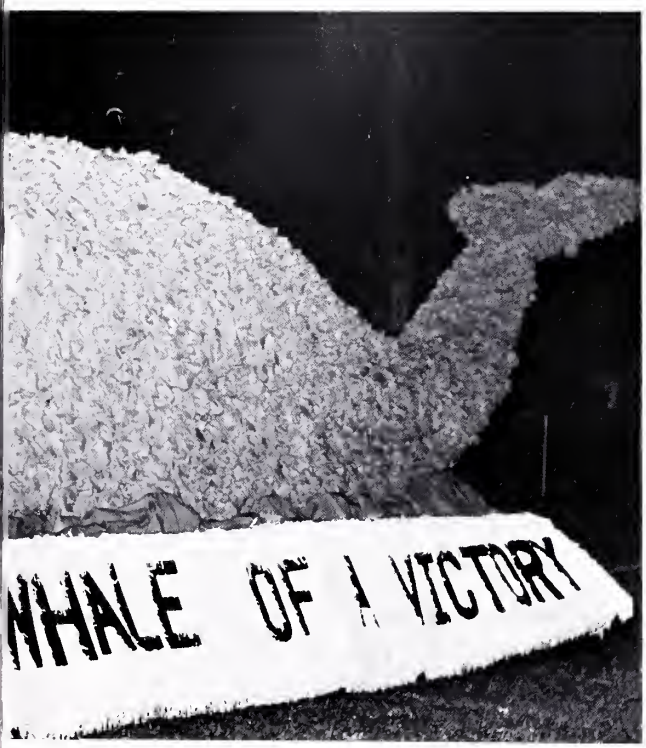
Various Activities Occur At Homecoming

The 1973-74 Homecoming was celebrated Friday, October 19, at Chilhowie High School. It began the week before when the classes began building their floats. At o'clock Friday evening the floats were displayed along with the Bands of Independence and Chilhowie in the Homecoming Parade. Winning Floats were announced t half-time. The Senior float placed first (opposite page) with "Hickory Dickory Victory"; the Junior float (bottom left) placed second with "Whale of a Victory"; and the Sophomore float placed third with "Rip 'Em Up" (upper right). The Freshman Class and the Future Farmers of America also had floats. A brownie bash and sock hop followed the game.



Pictured above is the float prepared by the Future Farmers of America. Pictured at the top of this page is the Freshman class float.

Junior Class Tries Their Hand At Acting

A man, his wife, and a family of twelve children? All of these characters were involved when the Junior Class presented the play, "Cheaper By The Dozen", to the public on December 19 in the school auditorium.

The play was very successful with its comical view of a family of twelve children who have an efficiency engineer for a father. The play was directed by Mrs. Jean Hamm and Mrs. Charlotte S. Sutherland. Bebbie Clark was student director.

Cast members shown below right are Doug Rowland, Elaine Sturgill, Perry Skeen, Kathy Heath, Kerry Donnelly, Ronnie Lindsey, Debbie Dixon, Kathy Sturgill, Kendall Johnson, and Angela King.

Seniors Present "Up The Down Staircase"

Board erasers whizzed by, seats over-turned, students chased around the classroom, the teacher unable to get anyone's attention—does this sound like an ordinary classroom to you? If it does, perhaps you were a member of Sylvia Barrett's English class when the Senior Class presented "Up The Down Staircase" on March 28, 1974, at 8:00 p.m. in the C.H.S. auditorium.

Sylvia had recently moved to New York City for her first teaching job. Her attempts to reach her rebellious students failed due to their refusals to cooperate with Sylvia. Her efforts, however, were not useless as she finally gained acceptance from her students.

Mr. Jerry A. Eggers, class sponsor, directed the play. Student directors were Rita McGhee, Eva Blevins and Mary Lynn Ratliff. Mrs. Pansy R. Rollins was in charge of make-up.

Juniors Host Junior-Senior Prom

Dim lights glowing, music playing, couples dancing — all were a part of "Seasons in the Sun", the theme of the Junior-Senior Prom.

The exciting evening occurred on May 4, 1974, at the Martha Washington Inn, Abingdon. C. T. Pilferhogg from Wise provided the music. Pictures of couples attending the prom were taken beneath a lovely full bloom dogwood outside the ballroom.

Bebbie Clark and Yvette Thigpin, members of the Junior Class, were in charge of serving refreshments. They are pictured above as they served Mrs. Pansy R. Rollins, faculty member. Bill Huff and Rachel Reasor, above, posed for their pictures. Students enjoyed the music provided by the band, below left.

Seniors Enjoy Annual Trip To D.C.

C.H.S. seniors departed from the front steps of the high school April 30 with "Big George" and "Mighty Ralph" steering the crowd of 76 students and six chaperones. Monticello, the home of Thomas Jefferson, was the first stop with lunch served on the grounds. The next stop was the Arva Motel in Arlington — our home for the next four days and three nights. After dinner, the group enjoyed a trip to the Wax Museum.

Wednesday and Thursday were filled with many tours, much walking, tired feet, blisters and some complaining. Thursday night was a gay time with a boat ride on the Potomac River into Maryland to an amusement park at which the group enjoyed many different rides.

Friday saw the group heading back to Chilhowie in the rain. The group stopped at Lion Country near Richmond — a new site that is not completely finished. From there, the group headed home with entertainment by Brad Mullen on the boys' bus and the "dancing bunnies" on the girls' bus. The buses rolled in home to C.H.S. at 10:00 p.m., Friday, May 3.

Seniors enjoyed the Kennedy Center for the Performing Arts, **TOP PICTURE.** Mr. R. The college of your choice? A future career? Information about these two futures are only two of the services the Guidance Department provides to the student body.

In addition, Miss Mary Payne Copenhaver, Mr. R. Dwight Barker, Jr., and Mr. Jerry A. Eggers, guidance counselors, act as a "helping hand" to anyone who has a problem and may need advice, as well as administering standard tests and informing students about college entrance requirements.

Capturing Glimpses of the English, Speech, and Library Departments

These departments at C.H.S. are the reservoirs of knowledge which the students have at their disposals. The English Department guides students through the corridors of literature with an emphasis on the meaning and implication of the stories. Speech and Drama was taught by a new teacher, Mrs. Jean Hamm. During the latter part of the school year, students enrolled in Speech presented a play to the student body and faculty.

As an additional resource to students, the Library offered materials for research and enjoyable reading.

Odors of various kinds in the building can usually be traced to the Science Department. Students learn by performing experiments and through textbook study. The required science courses are Introductory Physical Science, offered to eighth and ninth graders, and Biology, which is required during the Sophomore year. Chemistry is taught as an elective during the Junior and Senior year. Physics is taught as an elective to seniors.

If you see a student holding his hand or pulling his hair, he is probably working a problem that has been assigned by one of the math teachers. Two years of math are required for all students. Required subjects are Math 8 and either Math 9 or Algebra I. Algebra II, Plane and Solid Geometry, Advanced Math, and Refresher Math are offered as electives to the upper classmen.

French, Band, And Music And Art Appreciation Open To Students The World Of Fine Arts

The sounds of musical instruments echoed throughout the halls as the band practiced for another successful year in their performances in concerts, pep rallies, football games, and area competition with other schools.

Maps, records, and various other tools were used to develop a better degree of learning in the study of French. In addition to the study of language comprehension and translation, a greater look into the different aspects of French life and culture was offered in the three levels offered to students. The French III class went on a field trip to Le Chateau in Johnson City for french cuisine, and later in the evening went to see the movie "The Exorcist". In May, the class also visited the Barter Theatre where they saw Moliere's "Scapin".

The lives and works of such famous artists as Picasso and Van Gogh, and such respected composers as Chopin and Bach were studied by students of the Music and Art Appreciation class.

Students Develop Physical Fitness

Three years of Physical Education are required of all students before graduation. The P. E. classes are divided into Physical Fitness, Health, and Driver's Education.

Students are able to grow mentally, physically, socially and emotionally through the various activities in which they participate. The student may take behind-the-wheel training after school or during the summer months.

Insight Into The Vocational Department

That heavenly smell causing your mouth to water could possibly be coming from the kitchen in the Home Economic's room. Cooking is but part of what is taught in the Home Economic's courses. Sewing and various methods of developing a higher degree of social and personal behavior are also taught. Four years of Home Economics are offered to students, including Home Ec. V for Senior girls that have not previously taken Home Economics.

Beside Home Economics the Vocational Department provides courses in agriculture. This offers boys and girls a chance to work with machinery in addition to forestry, conservation, and the improving of farms making them more efficient.

In this day and age when it pays to be knowledgeable in the business field, it is nice to know that the Business Department prepares students for the business world.

Several classes were offered to prepare students for the business world. Typewriting I, Personal Typing, Shorthand I, General Business, Bookkeeping, and Clerk Typist I and II, both of which were two-hour classes, were offered to the students.

The ability to follow instructions, neatness, and accuracy were stressed in all these classes.

A class prophecy

Ten years from now, when you pick up this annual, you will have access to at least 15 new electric appliances that don't even exist today!

Electrical innovations will "make the scene" (as we say in 1973) to benefit health, education, industry and our social lives. You'll also see in the next decade more electronic equipment to purify, filter, recycle and generally clean up America.

Electricity is doing a lot of things for you now. It's going to do a lot more tomorrow. Our prediction: Life will keep on getting better — electrically.
